The fact of the matter is, there are many wow gold companies out there catering to players looking at runescape money buying gold in World of Warcraft. Many of wow gold for sale these companies are very shady. If you have cheap wow gold all 4 bag slots filled up right away, world of warcraft gold you can A) Continue questing without having to runescape gold return to sell off items so you will rift platinum level faster B) More importantly, be able to buy wow gold make much more gold as you will not rift gold have to delete items to make room for others. You can sell all your loot when you return for maximum profit even from the very beginning! Also, players that do business with these companies are also targeted for future hacks.
